SUPPLEMENTAL AMENDMENT
UNDER 37 C. F. R. 1.116
FILED AFTER FINAL REJECTION

This amendment is presented as a first and partial response to the Final Action dated April 15, 1988, and this amendment is filed to request that an Interference be declared between this application and U.S. Patent 4,718,605. Since this amendment is filed within two months after the date of the Final Action, it is understood, and the Examiner is requested to confirm, that the period for response to the Final Action will be extended to expire on the date the Advisory Action in response hereto is mailed. It is further understood, and confirmation is requested, that a declaration of Interference will suspend proceedings in this case.

Please amend the above identified application as follows:
